Sponsorships

Thanks again to all of our past sponsors. We have several sponsorship opportunities again this year. This is a great way to show your support for the users group and strengthen the organization while providing unique marketing opportunities. If some of the opportunities require that we have your logo or other artwork, we will contact you to coordinate delivery. Please contact Kara Collett at 253-620-2333 for questions you may have about sponsorship.

Booths & A/V Equipment

We will be located in the Florentine Ballroom at the top of the first escalators this year. Please book early to guarantee space in the exhibit hall. Once the space is full we will close registration for vendors. We will try to fit everyone in the main hall this year if possible. Exhibits may be setup starting at 7:00 a.m. on Tuesday May 11, 2010 and must be in place by 5:00 p.m. Booths must remain in place through 1 p.m. Thursday May 13th. There will be a \$75.00 breakdown penalty for booths taken down early or set up late. (Please contact Kara if you have any problems. The penalty will not be charged if late set-up is due to drayage problems.)

If you require power to your booth, you must contact Kara in advance. Caesars Palace is a Union shop so you must use the approved contractor TSE (Trade Show Electrical) if you have special electrical needs. Again, if you wait until you arrive in Las Vegas there is no guarantee that you will have power. For A/V equipment (power strips, cords, cables, exhibit tables, etc.), you will need to contact Encore Productions at 702-866-1133 or the Caesars Palace Technical Services Department at 702-731-7279.

If you have any additional questions you may contact Kara Collett at 253-620-2333.

Once we receive your registration form and payment, we will contact you to discuss your exhibit size and booth placement.
